

EVERYONE DAY

GIFT A FUTURE FOR PEOPLE AND PLANET

Turn your donation of \$1 into \$20 worth of essential new goods and help change a life. You're not only supporting people in need across Australia, but helping to create a brighter, more sustainable future for our planet. Every dollar you give transforms not just into goods, but becomes hope, dignity, and care for families and communities. Join us in making a difference - gift a future for people and our planet today.

Your donation can brighten a future

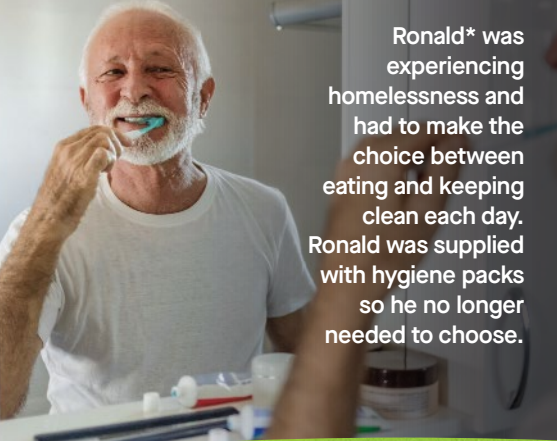

*Names changed to respect privacy.

Muhammad* was so excited to receive a backpack of his own! He was embarrassed bringing his lunch in a plastic bag, all he wanted was to fit in and have a real bag like his friends.

Mabel* had to restart her life with nothing but the clothes on her back after leaving an unsafe home environment. Trying to make ends meet was a struggle and keeping fresh food for her and the kids was impossible without a working fridge. Thanks to donations like yours, Mabel was able to receive a brand new fridge.

Ronald* was experiencing homelessness and had to make the choice between eating and keeping clean each day. Ronald was supplied with hygiene packs so he no longer needed to choose.

Bella* loves to build and create, but spending so many days in hospital means that new toys are scarce as her parents stick to a tight budget to meet all the families needs. Thanks to generous people like you, Bella can feel the joy of brand new toys that are hers to keep.
